## The Jaycee Creed

We Believe...

That faith in God gives meaning  
and purpose to human life;  
That the brotherhood of man  
transcends the sovereignty of nations;  
That economic justice can best be won by  
free men through free enterprise;  
That government should be of  
laws rather than of men;  
That earth's great treasure  
lies in human personality;  
And that service to humanity  
is the best work of life.
